Airbus A319 Intake/Exhaust Covers set, IAE V2500

Section 2: Engine Covers

Airbus A319 Intake/Exhaust Covers set, IAE V2500

Airbus 340 Intake Covers

Description

Part Number

Price

INTAKE COVERS, CFM-56 Engines (set of 2)	A321-100	\$4265.00
INTAKE COVERS, IAE V2500 Engines (set of 2)	A321-102	\$5135.00

Section 3: Plugs & Protection

Airbus A321 Heat Resistant Pitot Tube Covers, are made of Naugahyde vinyl, and lined with a non-burning material. They are designed to cover the entire pitot assembly, slipping over the tube and tightening around the base with a Velcro strap detail. A "Remove Before Flight" streamer is attached to the cover. **Heat Resistant Pitot Covers** are an upgrade to our standard design, and help prevent the pitot cover from melting onto the tube if the pitot heat is accidentally turned on while installed. If you want the set tethered together, please let us know.

The **Engine Exhaust Plugs** are custom fit for your Airbus A321 exhaust openings, made with heavy-duty vinyl material, and stuffed with a single block of sculpted urethane foam. Each plug has a zipper that allows the foam to be removed and dried if necessary. Exhaust plugs have 'remove before flight' streamers sewn onto the face of the plugs. Most plugs are imprinted with the aircraft registration number in black for an extra charge. Exhaust plugs may be inserted soon after flight when the engine is still warm. Engine Inlet Plugs are commonly referred to as Cowl Plugs, Intake Plugs, Cowl Blocks, Engine Blocks, and Engine Bungs.

The **Engine Inlet Plugs** are custom fit for your Airbus A321 intakes, made with heavy-duty vinyl material, and stuffed with a single block of sculpted urethane foam. Airbus A320 Exhaust & Bypass Vent Plugs

Boeing 737 NG Exhaust Plug Set, Folding Donut Ring Type

Description	Part Number	Price
INTAKE PLUGS, folding type, IAE V2500 Engines (set of 2)	A321-105	\$4695.00
PITOT & TAT COVERS, heat resistant type (set of 5)	A321-125	\$610.00
BYPASS & EXHAUST PLUGS, CFM-56 Engines (set of 6)	A321-200	\$4265.00
EXHAUST PLUGS, IAE V2500 Engines (set of 2)	A321-205	\$2740.00

Section 5: HeatShields & Sun Reflectors

Cockpit Heatshields are interior sunshades for the aircraft's cockpit. The product is a unique composite of closed-cell foam with a silver mylar finish. The semi-rigid design is stiff enough to stand inside the window framing. The set folds up flat and is easily stored in the included storage sleeve. Some designs may require velcro and suction cups. Our Heatshields for jets are offered white side out because some aircraft manufacturers have issued advisories against reflective window inserts due to potential heat damage. A Heatshield is an excellent short-term remedy for cockpit overheating, but an external fabric cover is more effective for long-term protection.

Description	Part Number	Price
COCKPIT HEATSHIELDS (set of 6)	A321-900	\$545.00

Section 6: Miscellaneous Products

Tire or Wheelpant Covers are designed to protect the wheelpants, or the tires and wheels, from sun damage and damage from the tow bar when moving the airplane.

ALL-YEAR USE MATERIAL - Made with Silver Acrylic Sunbrella canvas, the all-year use material is the best option for sun protection and cover longevity. This heavier more durable material is intended for all weather conditions, such as rain and snow or lots of sun.

Boeing 757 Tire Covers, Wash Down or Long-term Storage

Boeing 777 Main & Nose Gear Tire Covers

Description	Part Number	Price
NOSE GEAR TIRE COVERS (specify tire size) (set of 2)	A321-450	\$440.00
MAIN GEAR TIRE COVERS (specify tire size) (set of 4)	A321-455	\$1455.00

Prices subject to change. Other Covers and Design Alterations: Prices on request.
